

Sir We Would See Jesus
John 12: 21

(The same came therefore to Philip, which was of Bethsaida of Galilee, and desired him, saying, Sir, we would see Jesus.)

1. The true witness of the gospel is the encouragement to want to see Jesus.
2. The truth of the gospel is Jesus desires to be seen of men.
3. Men who leave without seeing Jesus, leave without.
4. Men who leave having seen Jesus, leave changed.
5. Men who have seen Jesus have seen all they will ever need.
6. Men who have seen Jesus leave self behind.
7. Men who have seen Jesus never get over it.
