

The Work of the Church
John 9: 4,5

(I must work the works of Him that sent me, while it is day: the night cometh, when no man can work.

1. It must be Christ initiated.
 - 2 It must be the Father's work.
 3. It must be Christ empowering, expressing.
 4. There is a time for.
 5. God's judgment will end the church's opportunity to join in the work of God.
- v.5 6. Christ is the light by which God given works are done.
(...I am the light of the world.)
7. When Jesus removes His light darkness will immediately set in.
