1. The walk through the valley is likely not by choice.
2. The walk through the valley is not likely filled with prior understanding.
3. The walk through the valley is likely not seen as healthy. Although it really is very healthy for your faith.
4. The multitude nor magnitude of the challenges in the valley matter not to God's capacity of faithfulness.
5. Jesus sees perfectly clear in the valley, He knows the way.
6. The perfect love of Jesus casts out all fear.
1 John 4: 18
7. Jesus is the security of the valley; thus, a believer is secure whether in or out of the valley.
Walk through the valley.
